FastAPI with LangChain

© 2023 Julio Colomer, AI Accelera

A good example of FastAPI + LangChain

- In this very simple example, we see how to use LangChain in the backend of an application built with FastAPI:
 - Explanatory blog at <https://blog.timleers.com/a-stupidly-minimal-llm-api-starterkit-deploy-llm-endpoints-in-a-minute-with-langchain-and-fastapi>
 - Code at <https://github.com/tleers/llm-api-starterkit>
 - Instructions to clone this project.
 - How to initialize this backend on your computer.
